

# More pics = more clicks

WITH MORE PHOTOS, HOMEBUYERS STAY FOCUSED ON YOUR LISTINGS. A recent study conducted by the National Association of REALTORS® found that properties with six or more photos get **300 percent more views** than properties with one photo. Nearly everyone surveyed said multiple photos helped their decision-making process. When you advertise on HomesAndLand.com, you can add nearly limitless photos to promote your properties online.

Integrated Advertising that Delivers ... Leads. Listings. Personal Branding.
