

EZ Tour

Helps Sell Your Home for the Best Possible Price

Here's how Homes & Land's EZ Tour brings your property to life for Internet homebuyers:

- **High Quality Internet Commercial**
A broadcast quality tour displays the full value of your property on the Internet, enhancing demand for your home.
- **Highlights Features & Amenities**
EZ Tour captures details often missed in a single photo.
- **Emailed to Prospective Homebuyers**
An EZ Tour can be emailed to homebuyers both inside and outside the local area. Homebuyers from across the country can preview your home before relocating.
- **Seen All Over the Internet**
Your EZ Tour is posted on HomesAndLand.com, and other leading real estate websites.

**Ask your REALTOR[®] about a
Homes & Land EZ Tour
for your property.**
